

**Joint Medicaid Oversight
Committee
January 22, 2015**

Healthier Buckeye

**State Representative
Ron Amstutz**

Healthier Buckeye:

- **The Concept**
- **Alongside Medicaid**
- **Involving
Organizations**
- **In Action**

Healthier Buckeye:

The Concept

Origin:

- Budget discussions
- All four quadrants plus administration
- SB 206 – December, 2013
- HB 483 – May, 2014

Healthier Buckeye:

Origin

The Concept Aspects

- “Healthier” is meant to be inclusive of all aspects of life.
- Non-entitlement
- For those who are ready
- Independent Life Plan
- Intensive peer mentoring
- Community ownership

Healthier Buckeye:

Origin

The Concept

Alongside Medicaid

- Elective means flexibility
- Upward mobility pathways
- MCOs and providers as partners
- Prevent from falling onto
- Reduce time needing it

Healthier Buckeye:

Origin

The Concept

Alongside Medicaid

“The correlation between poverty and ill health is well-established.”

Phil DeVol – An Invitation to Healthcare Providers to Create New Models for Better Serving People in Poverty

Healthier Buckeye:

Origin

The Concept

Alongside

Medicaid

Involving Organizations

- Community ownership

Healthier Buckeye:

Origin

The Concept

Alongside

Medicaid

Involving

Organizations

In Action

What an example might look like:

15-year-old foster child

Healthier Buckeye:

Origin

The Concept

Alongside

Medicaid

Involving

Organizations

In Action

What an example might look like:

15-year-old foster child

- 1. Career Center teacher that Ruby thinks highly of suggests Healthier Buckeye**
- 2. Assessment at - partner**
- 3. One of the parents was trained as Healthier Buckeye Mentor**

Healthier Buckeye:

Origin

The Concept

Alongside

Medicaid

Involving

Organizations

In Action

What an example might look like:

15-year-old foster child

4. Develop “plan”
